LOVE 2024

RETHINK CANDY

At Wally and Whiz, we craft the finest winegums in the world.
We've reimagined the traditional concept of winegums, creating small,
exquisite square taste experiences.

Our winegums are crafted with love and passion, setting new, elevated standards
for what a winegum can be. They carry the fragrance and flavour of the natural
ingredients from which they are created.

In our winegums, we always combine two complementary flavours to produce
delicate and exquisite taste sensations. Join us on our perpetual quest for new and
exciting flavours from all around the globe, as we continually challenge the
conventional notion of how a winegum should taste.

With our innovative approach and enthusiasm for culinary adventures, we cordially
invite you to encounter winegums in an entirely fresh and exciting manner.
